SAND CASTLE

The Original 2 story, 3 bedrooms, 2 1/2 bath 1349 sq. ft. Sand Castle cottage is a popular design. It offers many opportunities for watching the ocean from a reverse living panoramic view. Whether lounging on the decks, reading on the rear balcony, or sipping a cup of coffee in the great room / dining room, you're in a room with a view. Spotlight features include a ground level carport and storage room, a private beach crossover, and a lower level sitting area are optional
