

SAND CASTLE II

This 2 story, 4 bedroom, 3 bath 1813sq.ft. cottage is a popular design. It offers many opportunities for watching the ocean from a panoramic view. Whether lounging on the deck, reading on the rearbalcony, or sipping a cup of coffee in the great room / dining room, you're in a room with a view. Spotlight features include a ground level bad weather entry and storage room, A private beach crossover, and a lower level sitting area are optional.
