SURF DANCER

This 2 story, 4 bedroom, 3 bath 1560 sq. ft. cottage is a popular design. Reverse living offers many opportunities for watching the ocean from a panoramic view. Whether lounging on the deck, reading on the rear balcony, or sipping a cup of coffee in the great room / dining room, you're in a room with a view. Spotlight features include ground level carport or optional garage and storage room. A private beach crossover, and a lower level sitting area are optional.
